Simple FLOORPLANS

Simple Floorplans is an established, family run company, based in Surrey providing a comprehensive and flexible approach to floorplans, offering a quality service at competitive prices. There are **NO contracts** to sign and **NO minimum terms** apply. We are happy to do a one-off plan or as many as you require.

Our company is solely dedicated to floor plans and work within a 24 hour return service, often sooner. Different Services are available to match YOUR requirements:

› fax

Fax/email a sketch of the floor plan required with all measurements and details to be included. The floorplan is then faxed or e-mailed to you for approval. Once approved the final plan will be supplied in jpeg, pdf or other formats to suit your needs.

› from plans

Floor plans can be prepared from Architects drawings. Simply follow the steps for a fax floorplan.

› direct

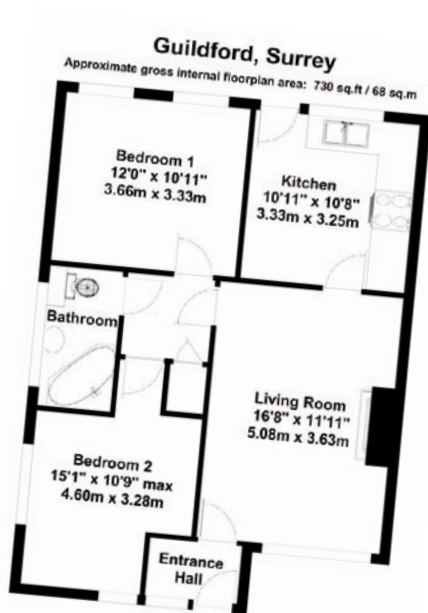

Following your instruction, we contact the vendor, make an appointment to attend the property and take measurements. You can expect us to be polite, friendly, smart and efficient representing your company profile. The floorplan is then faxed or e-mailed to you in jpeg, pdf or other formats to suit your needs.
